

Corporate and Promo's

Do you want to get your business / brand out there for everyone to see? Well our new modern Photo Station is the perfect marketing tool for you!

We can customise the booth and the photos to suit your business for any promotions or events!

With the very latest in modern technology on the market our booths not only print quality colour and black and white photos we can also email, and download directly to social media sites.

With our very open minded and professional team we look forward to talking to you.
